brand new
1st of its kind
in
Singapore
3 in 1

What are the key changes that affect your document changes ?!
What are the impacts on your people’s action(s) ?!
What would you choose to do the right thing right from here ?!

MY
DOCUMENT ACTION STRATEGY
to
what’s new

Time is due to revise your management system(s), & your compliance to wsha risk management.....

CCIS is proud to present to you this 3-in-1 integrated seminar – to keep you abreast of the latest changes in a systematic manner..... **by either conformities to clarity or compatibility and compliance to laws**

No wild readings on your part – the changes in the ISO 9001:2008 changes and MOM WSHA-RM compliance..... and biz-SAFE by local context..... to ‘legal & other requirements’..... or obtain the right assistance to prevent a longer route or/and personal/company liability.

This training certificate of attendance can be your evidence of competent by training – in case the auditors ask for it. You will also learn to do the right changes right the first time. We will assist you to do the changes in your organization better – for both your papers and people – to be **doubly assured** all for your business benefits – other than certification conformity and law compliance.

CCIS is also an MOM – Approved Training Provider & Risk Management Consultant. No imposed requirements. No imposed opinions. Be informed & be guided to formulate your very own document & action strategy (only if necessary) here..... to your own benefits..... in a free & professional ambience.

This seminar will be crowded from past experience – please register earlier to be best informed.
