

**A ½ day 5 in 1
(Food) Seminar for**

- | | |
|--|-------------------------------------|
| (1) ISO 9001 | FOOD QUALITY |
| (2) HACCP | FOOD SAFETY |
| (3) ISO 22000 | FOOD SAFETY |
| (4) WSHA & WSH (RM) Regulation 2006 | PERSONAL Risk Management |
| (5) bizSAFE | PERSONAL HEALTH & SAFETY |

CCIS is proud to present to you this 5-in-1 integrated seminar – to keep you abreast of the latest requirements in a systematic manner..... by either conformities to clarity or compatibility and compliance to laws

Take this opportunity to set up a system to assure food quality & safety and workplace personal safety – you can't afford facing losses by operations suspension & legal fines – after any incident

What is ISO 9001? What is SAC? What is HACCP? What is ISO 22000?

What is WSHA? What is bizSAFE?

What is Letas Grant? What is RMAF? What about SDF ?

What is an Integrated Management System?

Use Food Quality & Safety System – the ISO Way – to assure your customers – for your repetitive business success.

Use WSH(RM) to show compliance to law.

Use © CIMS – **CCIS Integrated Management System** for ease of your management.

Join us in a ½ day session to know how this 5-in-1 seminar can help complementing your company's sustainable success.

"PrimaDeli told to shut factory after food poisoning outbreak"
