

INTERNAL QUALITY AUDIT TRAINING (ISO 9001:2008)

(SDF Approved In-Principle Course)

CONFORMITY AUDIT

Your IQA needs to add value to your business now.

The audit needs to follow a logical management process - to detect the performance, drive for improvement - more than just checking conformity. Other than CONFORMITY audit, you will be guided for PERFORMANCE audit to realize the individual management's potential and hence business benefits (including profits).

Manpower turnover and new intakes may also necessitate ongoing IQA Training in your company.

Be excited to be retrained to the latest ISO 9001:2008 requirements - and be the early birds !

In relation to this, CCIS with its qualified and experienced trainers / consultants in ISO 9001:2008 & ISO 19011:2002 will be conducting the following PRACTICAL ACTION-LEARNING COURSE :-
